*Clothes and accessories for real women ...*

[www.the-glasshouse.com](http://www.the-glasshouse.com)

The Glasshouse motto:  
Clothes & accessories for  
Real Women... should not  
need explanation.  
It is a sad but irrefutable  
fact size still matters!  
Rarely are the words  
"bigger size"  
spoken in the same breath  
as style unusual &  
individual. Style is not a  
question of age or size.  
Beautiful styling to suit all  
sizes from S-XXL.
